MAKE THE CASE FOR RMGS 2027

A practical guide to help you secure approval to attend.

Bring more than ideas back from RMGS.

Attending RMGS is an opportunity to step outside the day-to-day work of Resource Management, learn how other organizations are approaching the same challenges, and return with practical ideas you can apply to your own organization.

Use this guide to build the business case for attending RMGS 2027.

LEARN. CONNECT. ACTIVATE.

LEARN

Gain practical insight into the strategies, practices, technologies, and capabilities shaping the future of Resource Management.

CONNECT

Learn directly from Resource Management leaders and practitioners facing many of the same challenges you are.

ACTIVATE

Return with ideas, approaches, and actions you can put to work in your organization.

What can RMGS help you bring back?

Depending on your organization's priorities, RMGS can help you explore ways to:

- **Improve** demand forecasting and capacity planning
- **Strengthen** staffing and project allocation
- **Advance** skills-based planning and deployment
- **Improve** utilization and workforce visibility
- **Build or evolve** an effective Resource Management Office
- **Demonstrate** the business value of Resource Management
- **Use** better data, metrics, and analytics to support decision-making
- **Evaluate** the role of AI and emerging technology in Resource Management
- **Benchmark** your practices against other organizations
- **Strengthen** your own capabilities as an RM professional and trusted advisor
