

Bring the Team. Multiply the Value.

One attendee can bring back great ideas.
A team can turn those ideas into
faster progress, stronger alignment,
and bigger results.

WHY BRING A TEAM TO RMGS 2027?

RMGS 2027 brings together the global resource management community for three days of learning, benchmarking, and connection. Sending a team allows your organization to gain broader insights, build shared language, and accelerate progress when you return.

LEARN TOGETHER

Build a common understanding and shared language across your team.

GAIN BROADER PERSPECTIVE

Cover more sessions and capture insights across key topics and roles.

BENCHMARK AS A TEAM

Understand how peer organizations are approaching similar challenges.

ACCELERATE CHANGE

Return with aligned ideas and a plan to move forward faster.

STRENGTHEN ALIGNMENT

Bring leaders, managers, and practitioners together around what's next.

INVEST IN YOUR TEAM

Share a valuable experience and build stronger connections.

THE BUSINESS VALUE OF SENDING A TEAM

Bringing multiple people to RMGS 2027 creates a bigger return for your organization, both during the event and long after you return.

WIDER SESSION COVERAGE

Attend more sessions across strategy, operations, people, technology, and AI, then share key takeaways.

DEEPER INSIGHTS

Get a more complete view of trends, tools, and approaches from across the resource management community.

PRACTICAL SOLUTIONS

Identify ideas and real-world examples you can apply to your organization.

STRONGER INTERNAL ALIGNMENT

Multiple team members experience the same content and conversations, creating shared context and momentum.

FASTER EXECUTION

Return with a team-based action plan and clear next steps.

WHY THE INVESTMENT MAKES SENSE
